Hi Paul

It is with much pleasure that I am writing thank you for a job well done and to note I would be very happy to recommend the services of the yourself and Global Construction Concepts.

Having now completed the refurbishment of our new offices at Milton (on time and on budget) we find ourselves completely satisfied with the works and the overall performance of the trades you engaged on our behalf. They did an excellent job, are always punctual, and delivered best quality workmanship.

We varied the original works adding extra jobs, such as additional lighting, painting and furniture and were pleased with the pricing of these additional elements.

All in all, the project was very reasonably priced, and you did exactly what we asked of you.

I would be more than happy to recommend the services of yourself and Global Construction Concepts.

Your potential clients can feel free to contact me with any questions.

Best Regards
